

## FOR SALE: STEEL & COPPER PLATES FROM THE DONNELLY COLLECTION

The Club is disposing of the following 16 engraved plates on behalf of Sheila Donnelly. They are in good condition for their age as Laurance Black has very kindly removed the worst of the corrosion. They will be sold to the highest bidder with a guide price of £5.00 (or \$8.00) per transfer with a minimum reserve of £25.00 (\$40.00). Please submit your bids by email to

[william.hodges2@ntlworld.com](mailto:william.hodges2@ntlworld.com) or by post to MWCC, 8 Mill Street, Eynsham, Oxfordshire OX29 4JS, U.K. (telephone enquiries to 01865 881634) by midnight on 15<sup>th</sup> January 2014.

If they are attending the Convention on the Clyde in April, successful bidders will be encouraged to collect their plates there. Otherwise they will be sent by post which, for one plate, we estimate will cost £7.20 (\$11.50) airmail to USA and £3.00 1st class and £2.60 2nd class inland in UK. The cost of postage will be charged to successful bidders together with a charge to cover packing of £1.00 (or \$1.60). Good luck!
